Dear Sirs,

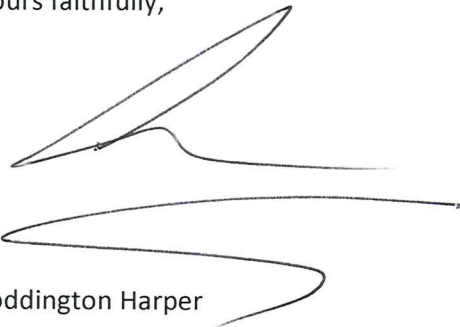

### **Southam Solar Farm Big60Million Bonds**

Southam Solar Farm Bond plc raised £3,364,980, in July 2015, which were climate bond certified. These funds were used to invest in Southam Solar Farm Ltd, in order to finance a solar farm.

During the period to July 2016 the funds remained invested in Southam Solar Farm Ltd. There have been no bond repayments.

This investment still conforms to the climate Bond Guidance and therefore still qualifies for climate bond certification.

Yours faithfully,
