<b>Firsts &amp; records</b>	First green sukuk issued in 2018 and fourth from a Malaysian issuer.		
<b>Company information</b>	Sinar Kamiri is a special purpose vehicle set up by Mudajaya Group Berhad for the development of a largescale solar photovoltaic facility. Mudajaya Group Berhad is an investment holding company with subsidiaries and associated companies involved in construction, property development, manufacturing, trading and the power sector.		
<b>Use of proceeds</b>	Proceeds will finance a largescale 49MW solar PV plant in Sungai Siput, Perak (Malaysia).  <a href="#">RAM Holdings</a> assigned the green SRI sukuk a Tier-1 Environmental Benefit rating, the highest of three rating levels which indicates that: "Project is an important component of low carbon future and has clear, demonstrable environmental benefits. Project directly contributes towards substantial and sustainable reductions of greenhouse gas emissions."		
<b>Climate Bonds view</b>	We agree with RAM Holding's evaluation.
