Issue details			
Reporting	The issuer will disclose proceed allocation and environmental impacts of the projects – including certification level and energy performance – annually in a public investor letter.		
Company information	Vastra Gotalandsregionen is Sweden’s second most populous region, with 1.6m residents.		
Firsts, records and certifications			
Proceeds description	Proceeds will be allocated to buildings that have obtained a Miljöbyggnad Silver certificate or above. Eligible projects also include new or existing buildings with at least 25% lower energy input on a m ² and annual basis than required by applicable regulations or major renovations with at least 30% reductions in energy usage.		
Climate Bonds view	Setting high green building certification levels and a minimum energy performance improvement of 25% or above are aligned with best practice. Achieving Miljöbyggnad Gold would demonstrate an even greater commitment.		
Underwriters	SEB
