Issue details			
Reporting	The issuer will annually report proceed allocations, which will be available on the EMMA website		
Company information			
Firsts, records and certifications	Second US Muni green bond from a Minnesota issuer in 2018 after repeat issuer City of Saint Paul.		
Proceeds description	The deal received an external review from Kestrel Verifiers (not publicly available). Proceeds are earmarked for a new Public Service Center, which will provide accommodation for the police department and other public services departments, and a new East Side Storage and Maintenance Facility used for solid waste and recycling operations, as well as for vehicle maintenance. The issuer has committed to obtaining a LEED Gold certification for both buildings.		
Climate Bonds view	Another US Muni issuer seeking an external review is a positive in this market. We encourage issuers to make these documents publicly available to enhance transparency.
