Issue details	
Reporting	The City's Office of Financial Services will track the bond's use of proceeds and post an annual update on this to the EMMA platform until the funds are fully spent.
Company information	The City of Saint Paul is the state capital of Minnesota. It forms part of the "twin cities" with its neighbour Minneapolis. In 2017, the city's population was estimated at approximately 300,000.
Firsts, records and certifications	
Proceeds description	The bond will finance the broad categories of water and waste management. More specifically, the City of Saint Paul will use the proceeds of the bond to finance capital improvements to the City's Sewer System, as well as to pay costs of issuance relating to the bond.
Climate Bonds view	The City of Saint Paul's green bond shows that even smaller projects can benefit from the green label. We encourage other US municipalities to take advantage of such opportunities to finance capital upgrades to essential infrastructure.
