Issue details			
Reporting	There is no reporting commitment stated.		
Issuer information	Harris County Municipal Utility District No1 operates as a municipal utility district. The district takes care of water and wastewater facilities and improvements. It also provides for the control and diversion of storm water as well as parks and recreational facilities and equipment.		
Firsts, records and certifications			
Proceeds description	The proceeds of the bond will be used to finance a storm water pollution and prevention plan, the construction of detention ponds as well as water, wastewater and drainage facilities at Lakes at Creekside. They will also go towards a storm water pollution prevention plan for clearing and grubbing future southern section.		
Climate Bonds view	We welcome Texas' 16 th municipal issuer to the market building up their position in the top Muni issuer. It is good to see third party assurance. However, we do encourage impact and allocation reporting to improve transparency for investors and other stakeholder groups.
