Issue details	
Reporting	There is no reporting commitment related to the allocation and impact of the proceeds stated.
Issuer information	Mountain Regional Water Special Service District is a governmental public water supply entity created and governed by the Summit County Council. The District provides drinking water services to a large area of Western Summit County - Utah. It was formed in 2000 with the goal of unifying, repairing, and upgrading the water systems in western Summit County.
Firsts, records and certifications	
Proceeds description	Refunding previously issued water revenue bonds.
Climate Bonds view	This is the second US Muni from Utah coming to the market and the first to obtain assurance. The previous one funded renewable energy projects. Water projects are the most common in the Muni space and we welcome the new issuer to the market.
