The Climate Bonds Certification Scheme
Best Practice in the Market

Fully aligned with the Green Bond Principles and the Green Loan Principles
Using best practice for internal controls, tracking, reporting & verification
Financing assets consistent with achieving the goals of the Paris Climate Agreement

“CBI Certification provides issuers with an independent and science based standard to showcase the greenness of their green bond assets. Investors appreciate issuers who go the extra mile by providing transparent and ambitious criteria using CBI standards”

Joop Hessels, Executive Director, Head of Sustainable Markets at ABN AMRO Bank N.V.
Credibility, Transparency, Simplicity

Benefits to Issuers

**Investment diversification:** broaden the bond’s international investor base

**Greater visibility:** expand the bond’s recognition in the market

**Value:** increase perceived value by endorsing the bond’s sustainability claims

Benefits to Investors

**Bond performance:** lower volatility in secondary markets

**Facilitated due diligence:** effortless adherence to best-practices

**Risk-adjusted returns:** mitigate changing policy and market risks

  - Mauritius
  - South Africa
  - Brazil
  - Chile

Climate Bonds Certification Scheme Climate Bonds Initiative
Certification Process

1. Issuer prepares the bond and a green bond framework
2. Issuer engages an approved verifier to write an assurance report
3. Issuer gets certified and issues bond

Reporting after certification

A. Verifier provides a follow-up report
B. Issuer reports annually during the term of the bond
Governance

The application of the Climate Bonds Standard & Certification Scheme is overseen by the Climate Bonds Standard Board who collectively, represent over **USD 100 trillion** in Assets under Management.

The **International Cooperative and Mutual Insurance Federation** is the only global association of cooperative and mutual insurers with over 200 members.

The **California State Teachers’ Retirement Scheme** is the second largest pension fund in the US with almost 1 million members.
