

## Inter-Dealer Broker Tullett Prebon Becomes a Climate Bonds Partner

**LONDON:** 18/03/2016 13:00 GMT: Award-winning inter-dealer broker (IDB) [Tullett Prebon](#) has joined the Climate Bonds Initiative Partnership Programme effective immediately. [Tullett Prebon](#) is a leading IDB with expertise in global energy markets, domiciled in the UK.

### **Tullett Prebon Head of Environmental Products, Dan Thompson, said**

“We are very pleased to be partnering with the Climate Bonds Initiative, in an effort to transition to a low carbon and climate resilient economy via the bonds market. Tullett Prebon has been a committed presence in environmental markets for a number of years. We recognise the importance of responsible investing in the development of climate friendly energy and transport solutions and are committed to using our market expertise to increase liquidity in this growing area.”

### **Climate Bonds CEO Sean Kidney, said:**

“As a longstanding inter-dealer broker Tullett Prebon has a unique perspective on the operation of international finance. Their insights and experience are a welcome addition to our partners programme particularly given their involvement in energy markets.”

“As we further develop green bonds as a source of long term finance, Tullett Prebon’s expertise and knowledge especially around secondary markets will be invaluable. We’re very excited at this opportunity to partner with them and work together on creating sustainable climate finance solutions.”
